

City Laws Database

by {ga=ggstaff}

Wednesday, August 03, 2011 10:00 AM

The database here includes all laws, important land use decisions, and significant resolutions passed by the New York City Council since January 2002. Use the search options to the right to find bills by year, topic, keyword and/or bill number. Also see how each council member voted and if the mayor signed or vetoed the legislation.
