

Today's Headlines: City Shelters Break Record

Posted on Mar 05, Posted by [Mike Muller](#) Category [City](#)

A [record](#) 50,000 people on average slept in city shelters this January, according to this new report by the Coalition for the Homeless. Over that same period, 1 percent of the city's youth - or 21,000 kids - spent the night in shelters, a 22 percent increase over the past year. Homeless families now spend over a year in shelters on average.
