

## Silver Encourages Stevenson to Resign [Statement]

Posted on Apr 04, Posted by [David Howard King](#) Category [State](#)

Assembly Speaker Sheldon Silver is calling on recently indicted Assemblyman Eric Stevenson to resign. Silver just issued this statement:

Assemblyman Stevenson's alleged actions as outlined by the federal charges against him are a clear violation of the public trust and cannot be tolerated. I believe that given the evidence that has been presented, he should seriously consider whether he can continue to maintain the public trust. I am encouraging him to resign.
